Workshop on Archaeological Ceramic Studies - 2019

Ceramic materials are frequently encountered at the archaeological sites of later prehistoric and historical periods. Understanding the ceramic materials and extracting information for reconstructing the past ways of life are among the important tasks of archaeologists. The workshop seeks to introduce Ceramic Studies to the Post-Graduate Students, Research Scholars, professionals and Faculty Members. It focuses on the ceramic materials from different spatial-temporal contexts in India and scientific approaches to ceramic studies.

Resource Persons

- Prof. K. Krishnan, Department of Archaeology, MS University, Baroda
- Dr. Mark William Hauser, Department of Anthropology, North Western University, USA
- Dr. Anup Mishra, M.J.P. Rohilkhand University, Bareilly, Uttar Pradesh
